Affordable Cooling and Heating

Description

Our Bronze Series of units offers affordable air conditioning with all the features you come to expect from mini split units.

- » Dehumidifying function: system is able to control proper rate of circulating air; managing effectively dehumidifying process under a low power consumption speed, sustaining room temperature.
 - » Environmentally Friendly Support: Our Mini Split Condenser operates with ecological awareness refrigerant R-410A protecting our fragile environment.
 - » Energy Saving System: adopts an advanced control method allowing power to adjust in wide ranges. The system startups from low speed to high speed efficiently, reaching the desire temperature rapidly and maintaining operation under a maximized energy saving speed. Consumers can economized 30-40% of power consumption.
 - » Installation Kit included: Completely equipped with 15 feet of copper tubing, insulation and electrical wiring for faster installation.
- Strong Warranty: We support our mini split/ system with a 5 year limited warranty on the compressor and 1 Year on all electrical parts.

Component	Model Number	Efficiency	Capacity
Condenser	A13CH4H4G09	13 SEER	9,000 BTU / 0.75 Tons
Condenser	A13CH4H4G12	13 SEER	12,000 BTU / 1.0 Tons
Condenser	A13CH4H4G18	13 SEER	18,000 BTU / 1.5 Tons
Condenser	A13CH4H4G24	13 SEER	24,000 BTU / 2.0 Tons
Evaporator	A13EM4H4G09	13 SEER	9,000 BTU / 0.75 Tons
Evaporator	A13EM4H4G12	13 SEER	12,000 BTU / 1.0 Tons
Evaporator	A13EM4H4G18	13 SEER	18,000 BTU / 1.5 Tons
Evaporator	A13EM4H4G24	13 SEER	24,000 BTU / 2.0 Tons
